SO PROUDLY WE HAIL - -

We, the Seniors of 1944, dedicate our book to the boys of our class, Frank Casino, Wesley Osenga, and Earl Benoche, who have entered the service.

We regret losing the boys both as schoolmates and in social life.

Yes, we bid the boys a friendly goodbye as they step out of civilian clothes into Uncle Sammy's uniform. Also we saw two juniors, Barney Leszczewicz, and John Rogers, depart for military service. Although we miss the ones who have gone from our midst, this year, we want to salute our former graduates who are doing their part in this world conflict.

Our hats come off to the boys and girls who are doing their bit for our nation.

The History of Bradley High School

The first school district for this territory was organized in 1893. Prior to this time, the public school for the present Bradley was located in Bourbonnais. Following the platting of North Kankakee in 1891, the school district followed and in 1895 became the present Bradley School district.

In 1941 the High School district was changed from district No. 68 to No. 307, and became known as the Bradley - Bourbonnais Community High School.

The first school building of this district was constructed in 1894 as a unit of our present school. Before this, school was conducted in an old store building on South Washington Ave.; later in the Methodist Church and the Woodman building. In 1898 the first frame school building was remodeled.

In 1911 an adjoining brick building was constructed and in 1913 was increased to its present size.

The first high school was established in 1898 by Professor Sutton, but was discontinued in 1903. Established again in 1909, by Professor Hartleb, there was a graduating class of two students. The enrollment steadily increased to its all time high of 220 in 1943.

Professor Hartleb was succeeded by Professors Robinson, McDougall, A. J. Weiland (who later became State Supt. of Public Instruction), R. P. Welker, R. E. Hall (present County Supt. of Schools), and our present, Mr. Honn.

In 1928 our present gymnasium was constructed. Coach O. W. Young was Basketball, Football and Track Mentor during that period and previous to that time, athletic practice for indoor sports had been held in various buildings on Broadway. Our athletic teams progressed to reach the highest point in their career with our entrance into the State High School Basketball tournament in 1939 under Coach Laffey's leadership.

In 1942 a new football field was put into use at the future site of our proposed High School.

Curriculum additions during the past decade have included courses in Aeronautics, Physics, Metal Works, Geography, Speech Arts, and Music Appreciation. The largest graduating class was in 1942 when a total of 44 members received their diplomas.

Plans were begun for a new Community High School several years ago but were deferred until Peace makes possible further construction activities.

SHIP'S LOG

This was our first voyage into high school and our cruiser had an enrollment of 64. We had one Commanding Officer, MR. JONES. Our Captain, EARL BENOCHÉ, was very efficient and our ship ran smoothly with the help of the next three officers, 1st Lieutenant FRANK CASINO, 2nd Lieutenant BETTY SIMMONS, and Ensign JOHN ROGERS. Our stops on foreign soil were many and at every port we had all the passengers joining together for fun and frolic. At the end of the voyage every one left the ship and went home to help out or find a part time job for the summer.

"Wonderful scenery, cut rates, plenty of fun for all," read the sign at the drug store where we gathered to buy our travel books. As we boarded the B. H. S. All-Stars, we were met by our Commanding Officers, MISS MAYOR-OAKES, and MR. BAKER.

We found our Captain BARBARA RICE and her handimen 1st Lieutenant WENDELL DIVIT and 2nd Lieutenant LAWRENCE WERTZ. We had decided to study more from our travel books this year. There were more clubs on board to join, and some new passengers to greet. There were only 51 of us. Those old friends who couldn't get back were missed. We did learn more from our travel books and saw more foreign soil to remember. The voyage was over soon and we were walking down the gangplank before we realized we hadn't anything planned for the future. The summer was spent going on picnic, hikes, swimming and camping.

Standing in front of our old tub, we began wondering what our work would be. You see we decided to work for our voyage this year. And work we did! We found our Captain, IRIS JOHNSON, ready to help us in every way possible, and her mates, WENDELL DIVIT, THERESA MARTIN and MARY PIERSON, worked right along with us. We met our new Commanding Officers who would be at the helm for the next two years, MISS STELTER, and MR. JACOBSON. In our work we ran across several mates

that were new who made very good suggestions. We were working hard for that one grand time when we hit home, because our Commanding Officers had promised us a formal dance our first night on shore. At last the time for our Prom came. We were pleased with its success. The Country Club, was our evening's destination. Our orchestra was under the capable direction of JOHNNY AGATONE. We used as our theme "An Old Fashioned Garden." After our prom we went to our homes. Because of the need for all high school students to help with the war effort many of us took positions in war industries. The rest of us clerked in stores to help fill the vacancies created by men and women leaving for war work.

For four years now we have been taking a voyage on the B. H. S. All-Stars or the Freighter Boilermaker. This year we are back on the larger ship, the All-Stars. Of course, our group had dwindled until we have only 31 passengers. FRANK CASINO, EARL BENOCHÉ, and WESLEY OSENZA, are in the Armed Forces. We missed them greatly on our last voyage. Our Captain, MAXINE HAYS, and her Lieutenants, WENDELL DIVIT, THERESA MARTIN, and ART SANOR, are doing their best to keep up our spirits. Our ports have been few and far between. Our new members have fallen into step with us easily and are working with us like good mariners. Our trip will soon be over.

Ahoy! Land! Come on you lubbers, let's get to work. Our sea voyages and fun will be ended until we can all get together for another cruise in future years.

PROPHECY

I decided after the war that it might be refreshing to take a trip through the Pacific Islands and went first to picturesque Hawaii.

I was roaming around Honolulu, when I ran into WENDELL DIVIT. He was proprietor of the huge vegetable market. I stopped and talked to him for awhile. I was surprised, but proud, to hear that EARL BENOCHÉ, was a General and that ESTER PAWLOSKI, a surgical nurse, his personal adviser.

I resumed sailing and soon docked at Cuba. There I found ART SANOR in charge of the Ship's drug store and BERNARD ZAJC, a daily patron, enjoying his love for marshmallow-fudge sundaes.

Back in the states, I stayed over in New York for a few days. While searching for souvenirs to take home, I was amazed to find DOROTHY NOEL owner of a thriving jewelry shop. Just a stone's throw away I stopped for lunch at MARY JEANNE HARRIS', who was proprietor of a well known restaurant. We talked awhile and I was told that JACKIE ALEXANDER was proprietor of the Beauty Box Salon, and PAT McCUE was a steady patron of her's since she had a dancing studio where Hawaiian dancing was taught exclusively.

I decided to go to LINDY'S for dinner. The only table I could get was occupied by a party of uniformed young men. Upon reaching the table, I found NORMAN EVANS, a Marine Lieutenant, CLARK HAYES, a Marine Chaplain, and JACK PASEL a Chief Petty Officer in the U. S. Navy. I was sorry to hear I had just missed seeing HOWARD KINNEMAN and DOROTHY CHAFEY, who were in New York making plans for a chain of Movie Theatres.

After dinner, I decided to walk thru Gramercy Park. To my surprise I saw ROBERT GIBSON, the distinguished coach of the Chicago Bears. He told me that MILDRED OLIVER and HELEN BRADLEY were army nurses, and THERESA MARTIN was chief nurse at John Hopkins Hospital

in Baltimore, Maryland.

As I walked through the park, I decided to go to a movie. Between acts the audience was presented with surprises. I was surprised to see MAXINE HAYS bedecked with jewels. She was reputed as owning the most valuable jewels in the state. I went back stage to talk to her. She was pleased to see me and told me KATHERINE McANDREWS was a Shorthand teacher and LORETTA JONES a music teacher in St. Paul, Minnesota.

In Chicago, I found PHYLLIS SWITZER, chief buyer for the ready-to-wear department at Marshall Field with Darlene Schultz, her personal secretary. MARY PIERSON had married her school day sweetheart and was living in Winnetka. ADELINE KLONOWSKI had become an eminent chemist, and was doing research on Nylon.

Being so close to Bradley, I could not resist stopping. Since the "New High School" had been built MARY OUTSEN had taken over the gym and made it into a bowling alley. JEROME HIRT was President of the School Board and I was informed that MARLENE MAISONNEUVE had recently been elected as the first woman Mayor of Bradley, and had appointed BERNARD ZAJC as Food Commissioner for the coming term.

Many changes had taken place in our Alma Mater. I talked to JEROME HIRT who said BETTY CREMER had married a Naval Officer and was living in San Diego, California. It seems as though no one had heard from JOE STEFANICH in the past years since he left for Washington, D. C. to be a Government Official.

After a very enjoyable trip, I returned home feeling that I had relived old school days in again renewing acquaintances with my old classmates.

FOOTBALL

Football, one of Bradley High's most popular sports, was this year under the direction of Coach "Pete" Laffey and Assistant Coach "Joe" Jacobson. Squad members were as follows:

- | | |
|------------------------------|----------------------------|
| J. Senesac, left end | J. Hirt, right end |
| H. Kinneman, left tackle | R. Gibson, quarterback |
| J. Stefanich, left guard | P. Menard, right halfback |
| B. Zajc, center | R. Ponikvar, fullback |
| B. Johnson, right guard | E. Marcotte, left halfback |
| B. Leszczewicz, right tackle | A. Stowe, right halfback |

B. Leszczewicz was elected "Captain" but when needed on a bigger and better team, left for the army. Bernard Zajc was awarded a gold football trophy for being the best player on defense, and "Mush" Marcotte won the same award for offense.

Seniors on the team who will be missed this coming year are: Joe Stefanich, Howard Kinneman, Bernard Zajc, Jerome Hirt, Robert Gibson and Wendell Divit.
