

1894

A black and white photograph of an ornate arched doorway. The arch is supported by decorative brackets and features a repeating pattern of small, raised triangles. Above the arch, the year "1894" is prominently displayed in a bold, sans-serif font. The doorway itself is a double door with large glass panes. The right door is slightly ajar, revealing a dark interior. A bright, diagonal light flare cuts across the center of the image, partially obscuring the view through the doorway. The overall style is characteristic of late 19th-century architectural photography.
